Please see the D.I.G.'s letter at p/c and its enclosure. Recently there was (the D.I.G.W.S. informed) an injunction from the High Court that no alterations should be made to the movable or immovable properties at the K.S.F. Kollgal pending decision on the appeal preferred by the former owners of the K.S.F. Kollgal (Kollegal Silvers Ltd. Kollgal) for the restoration of the Company to them. The aforesaid appeal is still pending in the Hon. High Court. The repairs mentioned at p/c appears to be essential in order to avoid the dilapidation of the manager's quarters, for which there seems to be no objection. Subject to order, a draft order sanctioning the expenditure is submitted overleaf for approval. Legal and Fin Depts may see for acceptance.

Sir,

Sub: Kollegal Silk Filature Kollegal - Manager's quarters - repairs.
Ref: G.O.No.Ms.4224 Dev. dated 29th August 1947.

...

In the above G.O. Government sanctioned an expenditure not exceeding Rs.470/- on repairs to the roof of the Manager's quarters at the Kollegal Silk Filature, Kollegal as the High Court Madras has issued an injunction order restraining the Government of Madras from dismantling the old machinery and equipment actually acquired from the company in 1943 pending disposal of the appeal in the High Court, I am inclined to think that the High Court's order should be taken to include the building and others standing in the compound of the Kollegal Silk Filature Limited at the time of acquisition and included in the schedule of properties acquired by Government and that no alteration to the buildings even by way of repairs should be carried out unless it is absolutely necessary. The Sericultural Expert Government Silk Filature wants the repairs to be carried out urgently as he considers it absolutely necessary to keep the buildings in good condition. The assistant Sericultural Expert (Mulberry Research) who is residing, there feels it unsafe and dangerous to reside in it unless the repairs are carried out soon. In the circumstances I request orders of Government whether the repairs to the Manager's quarters at the Kollegal Silk Filature may be carried out in view of the High Court's injunction order.
